

As one body with many disciples, God has given each of us different gifts and talents in order to complete the ministry we are called to do. Each of us is needed! Below is a list of the ministry opportunities available to you at St. John's that help fulfill our congregation's mission to "be and make disciples of Christ in response to God's grace."

Just as each year we pledge our financial commitment to the church, the body of Christ, we also pledge our time and talents. After prayerful consideration of how you can contribute to our shared ministry, please mark the areas you are interested in helping with this year, even if you have done so in the past. Thank you!
